

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Elemental is a subtle, sophisticated grey with cool undertones. It is a muted shade that acts as a perfect neutral backdrop, providing depth without overwhelming any space. When applied to walls, it lends an air of quiet refinement and calm sophistication. This versatile tone allows architectural features and decorative elements to take centre stage, framing them beautifully while keeping the room feeling bright and open....

Tranquility, modern serenity, balance, understated luxury, and calm focus.
