

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

New Steel is a sophisticated muted grey with hints of bluish lavender. It possesses an inherent calm quality, acting as a perfect neutral background that never feels dull. This shade suggests quiet elegance and timeless stability. When painted in a room, it promotes a sense of serene spaciousness, allowing artwork or furnishings to take centre stage without competition.

It evokes feelings of tranquility, sophistication, and calm refinement. It is the colour of a gentle dawn sky or polished stone, suggesting reliable comfort and quiet strength.
