

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

UFO is a serene and sophisticated shade, an ethereal blend of cool gray and pale blue. It possesses a gentle neutrality that makes it incredibly versatile for any room style. This subtle hue evokes feelings of calm tranquility, like the moment a cloudy sky parts to reveal soft light. It promotes a peaceful atmosphere and provides a quiet depth without being overpowering. Using UFO allows a space to breathe, creating a...
