

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Gray Frost is a delicate and tranquil shade of pale gray. It possesses an undeniable softness, evoking the gentle chill of late winter morning or mist rising from water. This muted tone does not feel cold; instead, it suggests calmness, like cool linens draped across a quiet room. Gray Frost offers sophisticated neutrality, providing a restful backdrop that enhances other colors without demanding attention. It is perfect for...

Serenity, calm, sophistication, purity, airiness, tranquility.
