This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Faded Allium is a delicate neutral grey beige, gentle and sophisticated. It captures the soft light of a rainy afternoon, invoking a sense of calm retreat. This colour acts like a quiet backdrop, allowing natural wood tones or vibrant art to become the true focal point. We recommend it for living rooms and bedrooms where restful serenity is key.

Tranquility, gentle nostalgia, sophisticated calm, peacefulness.
