This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

City Street is a sophisticated, gentle neutral, evoking the calm elegance of aged stone or concrete. It has enough depth to feel architectural and grounding, but remains light enough to air out any space without feeling stark. This shade acts as an impeccable backdrop, allowing both art and furnishings to take center stage.

It whispers tranquility and timeless permanence. Choosing City Street brings a sense of quiet sophistication, maturity, and urban retreat. It suggests reliable comfort and understated style, giving the room a grounded...
