

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Tattle Tail is an exceptionally gentle shade, a sophisticated blend of taupe and soft mushroom grey. It evokes feelings of calm stability, like a cashmere blanket on a crisp morning. This colour whispers of enduring comfort, offering a backdrop that feels both grounding and incredibly breathable. Think of the muted elegance found in natural stone or aged parchment paper. It is nurturing, inviting a sense of serene...

Calm, stable, sophisticated, grounded, comforting
