This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

## ABOUT THIS COLOUR

A delicate whisper of pale beige, Singing Sand is the colour of late afternoon sunlight catching fine desert dust. It offers a soft luminescence, providing a gentle warmth without overpowering the space. This shade feels incredibly serene and natural, wrapping any room in a comforting, muted embrace. It evokes thoughts of quiet mornings spent by the shore, or timeless Mediterranean breezes through whitewashed walls.

*Tranquility, Calmness, Warmth, Airiness*
