This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Eiffel Tower is a sophisticated neutral shade. It offers depth without being overwhelming, providing a quiet elegance to any space. Think of natural stone or weathered metal. This colour grounds a room, allowing artwork and decorative elements to take center stage while maintaining a cohesive, soothing atmosphere. It whispers timeless sophistication, evoking feelings of calm permanence, understated luxury, and historic...

Calmness, sophistication, permanence, understated elegance, historical depth
