

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Cool Concrete is a sophisticated and understated neutral shade. It possesses a delicate grey undertone balanced by warm earthen whispers, providing depth without appearing stark. This muted tone suggests the natural beauty of aged stone or perfect plasterwork.

It evokes feelings of calm grounded sophistication and timeless simplicity. Using Cool Concrete makes a room feel serene, airy yet solid, like a peaceful gallery space. It is versatile enough to ground bold pops of...
