This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This gentle earthy tone is named Conservation and it evokes a sense of timeless stability. It is reminiscent of aged patina on natural materials like limestone or well worn leather. Choosing this shade brings a calming sense of grounded permanence to a room, making it feel secure and enduring.

Serenity, maturity, comfort, tradition, natural harmony
