This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

## ABOUT THIS COLOUR

Sunken City is a sophisticated muted taupe with subtle green undertones. It suggests aged stone and dried seaweed found at low tide. This calming hue envelops a room in quiet dignity, evoking feelings of deep serenity and restful retreat. Using it creates an atmosphere that feels timeless, grounding, and surprisingly fresh, like the gentle coolness of water on warm skin. It is perfect for spaces where you desire a sanctuary...

*Serenity, tranquility, groundedness, calm elegance*
