

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Imagine a calm dawn reflected on still water. Gray Heron is a sophisticated neutral, a delicate mix of soft gray and gentle green undertones. It possesses an organic depth, evoking the subtle beauty found in natural landscapes like misty forest floors or washed sea stone. This shade grounds a room with quiet elegance, offering versatility without sacrificing character.

It inspires feelings of tranquility, restful calm, and understated sophistication. It is restorative, helping to create an atmosphere of serene retreat and timeless grace. Pairing it allows the room itself, or natural...
