This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Pigeon's Back is an elegant modern neutral grey a sophisticated whisper of stone and mist. It holds a gentle depth, providing a restful backdrop that complements nearly every accent color you might choose. This subtle shade avoids the coldness of true greys, instead evoking a sense of serene calm, quiet confidence, and enduring style. It feels grounding yet uplifting, like a perfect canvas for life's colours.

Calm, Sophistication, Serenity, Balance, Timeless
