This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This exquisite soft grey-green shade captures the ethereal quality of ice on a winter morning. Freezing Crystal is sophisticated and calming, offering a whisper of cool freshness without being stark. It evokes feelings of tranquility, purity, and serene elegance, like standing before freshly fallen snow or gazing at smooth river stones. This subtle neutral palette allows natural light to enhance its gentle depth, making any...

Tranquility, purity, serenity, elegance, calm, freshness
