

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This sophisticated grey green evokes the serene atmosphere of deep ocean waters viewed from above. Sea Floor is a calming neutral shade, much like sunlight filtering onto an underwater landscape. It suggests quiet depth and natural transitions, making it ideal for rooms needing a tranquil retreat or a subtle anchor point.

Calmness, serenity, tranquility, peaceful escape, sophistication, restful comfort.
