This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Dolphin's Dream is a sophisticated and restful shade, a muted sage grey with undeniable undertones of calm sea glass. It manages to avoid the starkness of cool greys while providing more depth than traditional neutrals. This versatile colour evokes feelings of quiet elegance, natural tranquility, and understated sophistication. It makes a space feel immediately calming, suggesting a gentle seaside retreat or a peacefu...

Tranquility, serenity, calm, elegance, repose
