This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This sophisticated shade, which we call Before Dawn, is a quiet blend of deep slate and misty grey blue. It holds the calm complexity of the sky just before sunrise. Applying this colour brings an immediate sense of peaceful depth to any room. It is elegant, mature, and incredibly restful, acting as a perfect backdrop for natural wood tones or pops of golden yellow accents. Before Dawn suggests quiet confidence and timeless...

Tranquility, elegance, calm, depth, mystery.
