This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Maiden Mist is a delicate whisper of grey green. It carries the soft muted feeling of early dawn or mist hanging over a quiet lake. This shade evokes tranquility and subtle sophistication, creating an atmosphere that feels both restful and airy. Use it to wrap a room in gentle light, offering a calming background that allows other features, like artwork or furniture, to shine without competition. It suggests peaceful beginning...

Calmness, serenity, tranquility, sophistication, lightness
