This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Mirror Mirror is a calming and subtle shade. It embodies the gentle neutrality of polished silver mixed with soft slate tones. This pale, restful grey-blue provides an elegant backdrop that does not dominate the space, yet adds significant depth and sophistication. Because it is so inherently mellow, it allows artwork, furniture, or vibrant textiles to truly shine without competing. Rooms painted in Mirror Mirror feel instantly airier and...

Tranquility, elegance, freshness, serenity, timelessness.
