

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Pachyderm is a sophisticated neutral, a dusky blend of slate and sage. It possesses a muted coolness that prevents it from feeling stark or flat. This shade evokes tranquility and quiet confidence, suggesting an elegant space that feels grounded and timeless. Imagine the soft light filtering into a drawing room; Pachyderm provides a calming backdrop for thoughtful living and curated art. It is restful yet substantial,...
