

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Quicksilver is a sophisticated cool grey blue shade, an elegant blend of slate and soft pearl. It offers a calming presence without being dull, providing enough depth to anchor a room while reflecting a sense of modern polish. Think of the sky just before twilight or the smooth sheen of polished metal under soft lighting. This shade evokes feelings of tranquility, refinement, and quiet confidence. It is versatile and mature, makin...
