This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Ocean Dream is a gentle wash of soft periwinkle and pale gray. It captures the serene feeling of looking out at a misty sea on an overcast morning, far from the vibrant intensity of midday sun.

This calming hue promotes tranquility and effortless sophistication. It acts like a soothing balm for visual stress, creating an immediate atmosphere of peaceful retreat, gentle dreams, and quiet elegance.
