

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Wild Geranium is a sophisticated and gentle shade, sitting beautifully between mauve and soft rose. It carries an unexpected depth while remaining airy enough for any room to feel refreshed and serene. This nuanced tone reminds one of late summer wildflowers blooming in the afternoon light. Using it can transform a space into a comforting yet elevated sanctuary.

It evokes feelings of peaceful nostalgia, sophisticated calm, and understated elegance. It is grounding without being heavy, providing a sense of restful warmth.
