

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Gothic Amethyst is a sophisticated and moody blend. It holds deep tones of lavender and soft grey, giving it an air of timeless elegance. When painted, it creates a restful yet dramatic atmosphere, perfect for spaces that require depth without being overwhelming. This complex hue shifts beautifully in natural light, evoking shades of lilac in the morning and a subtle smoky plum as evening approaches. It is a colour of quiet luxury...

It conjures feelings of mystery, calm refinement, and introspective beauty. Think twilight gatherings, velvet upholstery, or antique jewellery. It whispers secrets while enveloping you in soothing sophistication.
