

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Clay Ridge is a sophisticated earthy grey brown. It draws inspiration from arid landscapes and weathered stone. This deep yet soft tone anchors a room with quiet confidence, providing a natural transition between cool neutrals and warmer accent colours.

It evokes feelings of warmth, stability, and timeless serenity. Like the feeling of an old library or a secluded Mediterranean courtyard, it is grounding and deeply comforting, promoting a calm atmosphere for relaxation.
