

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This delicate whisper of blush and dusty rose, Rose Hip captures the soft warmth of late afternoon light hitting aged stone. It is a sophisticated neutral that adds gentle depth without demanding attention. We find it evokes feelings of calm tranquility, like a lazy Sunday morning spent in sunlight. It suggests quiet elegance, comfort, and timeless femininity.

Calmness, tranquility, warmth, romance, sophistication
