

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Earth Rose is a muted and sophisticated blush tone. It carries hints of dusty terracotta while maintaining a softness reminiscent of sun dried petals. This gentle shade provides warmth without overwhelming the space, making it incredibly versatile for living areas, bedrooms, or even kitchens. It feels grounding yet romantic.

The colour evokes feelings of calm comfort and quiet elegance. Think of a peaceful late afternoon light filtering into a room, or the soft embrace of natural linen. It suggests timeless femininity and effortless style...
