

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Bigfoot is a sophisticated earthy tone, reminiscent of damp forest floor moss and aged leather goods. It possesses a grounding richness, an undertone of deep chocolate mixed with warm tobacco leaf. This shade suggests natural decay transformed into enduring elegance.

Choosing Bigfoot brings feelings of cozy sanctuary and quiet stability. It offers a sense of time slowing down, fostering introspection and calm comfort. Rooms painted in this hue feel immediately intimate and protectiv...
