

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Russet Apple is a sophisticated midtone inspired by aged autumn fruit and warm earth tones. It suggests comfort and deep patina. This beautiful shade anchors a room with an understated elegance, reminiscent of time worn cedar or vintage velvet. The hue works beautifully in natural light and provides depth without overpowering the space. Choosing Russet Apple adds a grounded feeling, like a cozy embrace on a cooler...

Warmth, sophistication, calm, grounding, autumnal comfort.
