

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This earthy tone is a comforting blend of deep terracotta and rich spice. Warm Wassail evokes the feeling of a cozy hearth on a cool evening, suggesting warmth, grounded luxury, and timeless comfort. It feels natural, enveloping the room in a soft embrace that encourages relaxation and intimate conversation. Pair it with creamy whites or aged brass accents for an effect that is both dramatic and welcoming.

Cozy, warm, grounded, luxurious, comforting, rustic.
