

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This warm earthen tone, Ancient Copper, evokes the comforting glow of late afternoon sunlight filtering through aged sandstone. It is a deeply grounding and rich shade, reminiscent of time weathered metals and natural pigments. Choosing this colour brings an atmosphere of established warmth and quiet sophistication to any room. It suggests old world charm, embracing both timeless elegance and rustic comfort, making it...

The feeling is one of deep contentment and venerable calm. It feels luxurious yet unfussy, drawing upon the comforting richness of natural materials and history. It whispers warmth and stability, acting as an anchor...
