

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Imagine sun warmed plaster meeting soft desert sand. Bleached Terracotta is a delicate whisper of earthy warmth, reminiscent of aged Mediterranean tiles or faded beach linen. It possesses a gentle blush undertone combined with the soothing neutrality of pale clay. This sophisticated shade provides structure without overpowering a room, creating an atmosphere that feels simultaneously grounded and lighthearted.

The colour evokes feelings of calm retreat, sun kissed memories, and natural elegance. It suggests slow living, restful mornings, and a relaxed coastal vibe while retaining the depth of natural earth tones. It is...
