

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Mexican Moonlight is a sophisticated and warm muted rose with subtle creamy undertones. It captures the soft glow of twilight against sun baked earth. This shade offers a gentle sophistication, acting as a calming anchor for any room.

It evokes feelings of tranquility, warmth, and romantic nostalgia. Imagine sitting on a veranda at sunset or wrapped in a favorite cashmere shawl. The colour suggests slow living, comfort, and understated elegance...
