

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A sophisticated muted earthy tone, Iron Dust is inspired by aged metal and natural terracotta. It possesses the warmth of dusty rose blended with the depth of weathered leather. This shade provides a quiet grounding effect to any space. When applied to walls or textiles, it acts as a beautiful backdrop, allowing accent colours to truly sing while providing an inherently stable and comforting atmosphere. It suggests...

Calmness, grounded luxury, warmth, subtle sophistication, natural retreat.
