This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Gazpacho is a warm and earthy neutral shade. It carries the deep terracotta tones of sunbaked clay mixed with hints of soft ochre. This beautiful hue evokes feelings of calm stability, grounded comfort, and Mediterranean warmth. Decorating with Gazpacho brings a sense of inviting permanence, like sitting on an old weathered stone patio in the late afternoon sun. It is timeless, natural, and profoundly comforting.

Calmness, warmth, grounding, rustic elegance
