

Sablewood
PPG1068-2

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Sablewood is a subtle, ethereal neutral. It carries the warmth of aged parchment mixed with the gentle coolness of morning mist. This shade has the perfect understated quality to allow room architecture and decorative features to take centre stage. Choosing Sablewood creates an immediate sense of calm and sophisticated timelessness in any space.

It evokes feelings of quiet elegance, restful sanctuary, and soft natural light. It feels grounding yet airy, transforming a space into a serene retreat reminiscent of classic libraries or sunlit coastal rooms.
