

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Terrazzo Tan is a sophisticated warm beige, reminiscent of worn natural stone or sun bleached terracotta. It possesses an inherent warmth, giving rooms a grounded and comforting feeling without being overpowering. This neutral earth tone works beautifully as a foundational colour, allowing other decorative elements like furniture, art, or accent colours to truly pop. It evokes the peace of an old Mediterranean villa or the quiet...

Grounded, comforting, serene, natural, sophisticated
