This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This delicate shade embodies the soft glow of an Arabian night sky at its most gentle. Moroccan Moonlight is a warm, muted offwhite that carries subtle undertones of cream and palest taupe. It does not demand attention but rather envelops a room in sophisticated tranquility. Imagine standing in a courtyard after dusk, bathed in the glow of distant lanterns; it is calming, timeless, and exquisitely refined.

Serenity, warmth, elegance, peace, sophistication.
