This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Thumper is an earthy sage green, reminiscent of warm moss in early spring. It is gentle yet grounded, providing a sophisticated backdrop for any room. This subtle tone avoids being overwhelming, instead offering a calming embrace that allows furniture and artwork to truly shine. It introduces a natural depth without sacrificing airiness, making it perfect for living areas or bedrooms where tranquility is desired.

Peacefulness, serenity, organic calm, gentle renewal.
