

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Coffee House is a warm earthy neutral, a deep blend of beige and taupe, offering an instant sense of comfort and grounded elegance. It evokes the quiet coziness of a favorite reading nook or the inviting warmth of sun dappled wood. This shade feels sophisticated yet unpretentious, like a well worn leather armchair. Use it to ground a room and allow vibrant art or textiles to take centre stage. It is perfect for creating an atmosphere...
