This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This delicate neutral is an inviting shade of muted taupe with creamy undertones. It recalls the soft comfort of knitted wool and sunlight filtering through aged silk. Warm Blanket possesses a gentle warmth, perfect for creating a serene yet enveloping atmosphere in any room. We suggest pairing it with deeper tones of forest green or slate blue to allow its natural luminescence to shine. Its understated elegance makes it versatile...

Comfort, calm, serenity, warmth, nostalgia.
