

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Slippery Stone is a sophisticated neutral with deep earthy undertones. It resembles wet natural rock or worn river stone, evoking a sense of grounded permanence and quiet sophistication. This shade is neither too warm nor too cool, making it an incredibly versatile background color. It provides depth without being dramatic, offering a serene backdrop that allows other decorative elements to truly shine. Imagine the calm...

The feelings invoked are tranquility, stability, and understated luxury. It suggests natural material quality, bringing an immediate sense of peace and restful escape to any room. Use it when you desire a calm...
