This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Red Setter is a rich earthy brown tone. It resembles the warm tones found in baked clay or antique wood furniture. This deep shade offers immense grounding and stability to any space, creating an atmosphere that feels simultaneously cozy and sophisticated.

It evokes feelings of warmth, comfort, permanence, and natural elegance. Using this colour can make a room feel intimate, embracing, and deeply restful. It speaks of timeless traditions and quiet luxury.
