

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Weathered Sandstone is a soothing, delicate shade evoking natural warmth and timeless sophistication. It is reminiscent of sun baked clay or ancient coastal architecture, offering a gentle embrace to any room. This subtle neutral does not dominate the space, instead acting as a perfect, restful backdrop for vibrant furnishings or dramatic artwork. Choosing this hue creates an atmosphere that feels serene, grounded, and...
