This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This sophisticated mid tone evokes the richness and warmth of deeply coloured, polished leather goods. It is an earthy neutral, a gentle compromise between brown and taupe. Tooled Leather brings immediate depth and timelessness to any space, suggesting comfort and established elegance. Imagine the patina of fine furniture or the glow of sunlight on aged wood. It is grounding yet refined.

Tooled Leather suggests cozy maturity, reliable comfort, and quiet luxury. It speaks of settled lives and curated style, promoting a feeling of secure calm and sophisticated warmth within the home.
