

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Ginger is a warm earthy brown with hints of ochre and spice. It evokes feelings of comfort, grounding, and cozy nostalgia. Think of late afternoon sunlight filtering through natural fibers or the rich patina of aged wood. Using Ginger in an interior creates an immediate sense of warmth and depth, transforming a room into a comforting sanctuary. It is versatile enough to anchor a space without feeling heavy, offering a...
