

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Brewery is an earthy, grounded shade of brown green. It captures the deep, comfortable tones found in old wood and rich loam. This color evokes a sense of reliable comfort, like slipping into a favorite armchair on a quiet autumn day. It suggests natural stability, bringing an anchor feeling to any room it inhabits.

Groundedness, warmth, reliability, vintage elegance, calm.
