This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Chalkware is a soft neutral shade, a gentle off white beige with creamy undertones. It has a luminous quality, catching light beautifully without ever feeling stark or cold. This colour evokes immediate feelings of calm and timeless elegance, like stepping into an old country villa or a sun drenched conservatory. It provides a soothing backdrop that lets natural features and artwork truly shine. Chalkware suggests simplicity, warmth...

Calmness, serenity, timelessness, warmth, elegance, tranquility
