

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Honeycomb biscuit, imagine the soft light catching dusted cakes. This shade evokes warmth and gentle calm. It feels like sunlight filtered through sheer curtains or a perfect afternoon cup of tea. Honey Biscuit is deeply comforting, suggesting rustic elegance without being dramatic. It acts as a wonderful neutral backdrop, letting artwork and furnishings take centre stage while wrapping the room in a creamy embrace.
